KERMCO POWERED ACCESS MACHINERY

Registered Office: Kermco Limited P.O. Box 161, Lewes BN7 9ES

Training can be carried out on-site subject to the following requirements:

- A machine of each category type
- We need a CR7d Current Certificate of thorough examination for the equipment used.
- We also require a training room suitable for number of trainees, heated and ventilated
- And a Safe area of adequate space, to operate equipment

Each Trainee must have the following on the day of training:

- Hard Hat
- Suitable safety footwear
- National Insurance number
- Suitable clothing for all weathers

Cancellation: Should you need to re-arrange or cancel the date of your training course, we will require 7 days notice to do this. If cancellations or re-arrangements are made after this time period Kerm Co will charge the agreed rate as originally quoted.

Thank you for your booking enquiry, we will confirm your request by e-mail/telephone or fax. (Please circle preferred method of contact.)
