

**Faraone**

**KermCo** and **Faraone** present the

# PK60/70 Push-around King

**THE ALTERNATIVE TO LADDERS  
AND SCAFFOLD TOWERS**

- Working height of up to 7.2 metres (the tallest of all its rivals)
- No need for a trailer licence as the **Push-around King** can fit in a van!
- Seconds to full height
- (1.69 H x 1.28 closed) means it glides through standard doorways
- Low noise (can be worked in quiet conditions)
- Non marking solid rubber tyres
- Stabilisers allow use on non-levelled ground
- Lightweight, perfect for finished floor areas

# PK60 & PK70 Push-around King

**THE ALTERNATIVE TO LADDERS  
AND SCAFFOLD TOWERS**
